

Advance Your English, Earn Your Degree in the USA

Earn an undergraduate or graduate degree with the support of Clark University's American Language and Culture Institute. We are committed to helping you with your English language skills so you can achieve success - academically, professionally, and personally.

English Programs for Students at All Levels

Our Graduate and Undergraduate Pathway programs allow you to reach your English language learning goals while earning credits toward a Clark degree. The English for Academic Success program prepares students for admission to a Clark Pathway Program or directly into a degree program.

Study in America with Confidence

Develop the English skills you need to get the degree you want. Our online or in person programs provide language instruction, verbal and written practice, extra and co-curricular support, and community engagement.

Why Study at Clark?

- Attend a prestigious and globally recognized private university with a beautiful New England campus
- Join a community of many voices and ideas, with students, faculty, and scholars from more than 80 countries
- Immerse yourself in a welcoming and supportive environment as you perfect your English
- Learn from supportive and dedicated faculty
- Experience academic success through American classroom learning and practice-based instruction
- Build your English language skills, résumé, and career portfolio

Supportive International Peer Mentors

Connect with students whose academic journeys were supported by the American Language and Cultural Institute. Our International Student Peer Mentors represent diverse academic backgrounds and cultures. They will be happy to talk with you, answer your questions, and tell you about their firsthand experiences at Clark.
